

Adjective Clause

1. It is group of words
2. It has verb and Subject
3. Acts as an Adjective that describe noun.

As we all know adjective always tells about Noun

For Ex

The ~~umbrella~~ Umbrella which
has a broken handle is mine

(Note: In the original image, 'Umbrella' is underlined, 'which' is underlined, and 'has a broken handle' is underlined. An arrow points from 'which' to 'Umbrella'. Above 'has' is a 'V' and above 'handle' is an 'S'.)

underline sentence is adjective clause as it is describing Noun Umbrella
