

Tag questions : B. A. 1 Sec C

Tag questions are the questions which are attached to the end of a statement to give it an added force.

Rule : we use a negative tag with a positive statement and a negative statement takes a positive tag. The verb remains the same as in question.

For example

1. He writes a letter, doesn't he ?
2. We have plenty of time, haven't we ?
3. We haven't much time, have we?
4. None of the food was wasted, was it?
5. We saw no one we knew, did we ?
6. A small scratch like this is nothing, is it?
7. We seldom see them these days, do we ?
8. He is very clever, isn't he?
9. She looks ill, doesn't she?
10. Your car is damaged , isn't it?
