ABOUT THE COLLEGE

I.B. (PG) College is a premier co-educational institution in Haryana. It was founded in 1956 in the memory of the well-wisher of LeiahBiradari Late Sh. InderBhan Dhingra. Keeping in view the requirement of education for women, Late Seth Brij Lal Dhingra with the help of his energetic friends Late Sh. Shanu Lal Narang & Late Sh. SukhDayal Sachdeva, founded this college for women only. In 1966, the college started working as a co-educational institute. The college progressed by leaps and bounds under the leadership of Late Dr. Somnath Dhingra and Late Sh. Ram KishanGandhir who worked in the capacity of erstwhile President & Vice President respectively.

The college has steadily built up over the past six decades, maintaining high traditions of scholastic excellence along with the culture of discipline and social service. The overall goal is to prepare the students to play roles in the society with responsibility and commitment.

COLLEGE PROFILE

Located in the historical city of Panipat, I.B. (PG) College is one of the prestigious institutions of higher education in the city. It was established in the year 1956. Since inception, it has witnessed remarkable progress on many fronts. At present, it has student strength of more than 3000, with 126 teaching staff and more than 90 non-teaching staff members. The college is affiliated to Kurukshetra University, Kurukshetra and is recognised by UGC. It has congenial atmosphere to enable students to realise their full potential. Various courses, both at UG and PG level are offered, mainly in the streams of Arts, Science and Commerce. Our emphasis is on all round development of our students. We assist them to grow individually, socially and mentally by organising co-curricular activities on regular basis. Highly qualified and dynamic faculty members have a passion for teaching and they not only fulfill the academic needs of students, but also sensitize them towards social issues so that they may add to the betterment of society. Every year, our students bring laurels to the college by clinching University positions. The college has the honour to own a sprawling campus with well-ventilated classrooms, fully-equipped science labs, computer labs and spacious AC seminar hall. In the pursuit for excellence, the college is constantly upgrading its infrastructure and in the same direction, construction of a new and modern science block is in full swing. To fulfill the safety needs, the campus is CCTV enabled. Apart from departmental libraries in different departments, there is a spacious and well stocked central library with comfortable seating arrangement and rich collection of books, magazines and periodicals. The library is fully automated and Web-OPAC facility is also available. The college is proud of notable alumni, who have distinguished themselves in different fields of academics, corporate and administration. We leave no stone unturned to assure that every student becomes capable of playing a vital role in building sound base of a progressive society.

PRESIDENT'S MESSAGE

**SH. DHARAM BIR BATRA
PRESIDENT**

More than 60 years ago, a sapling was planted in the form of a small institution, by our honorable, generous and far-sighted elders. They donated huge amounts of funds, worked tirelessly with an extraordinary zeal, envisaging a vision and dream for the generations to come. With their exemplary support and continuous blessings, the sapling is now transformed into a bouquet of fragrant flowers, which certainly is a delight for all of us. We are constantly striving to achieve the highest goals of academic excellence through our highly motivated team of teachers and supporting staff. Students are our first and foremost priority, and we take utmost care to deliver the best contents to mould them into socially responsible and honest citizens of India.

I wish for your bright future and assure you that we will make every possible effort to enlighten your path to a successful career.

PRINCIPAL'S MESSAGE

DR. AJAY KUMAR GARG
PRINCIPAL

Dear Young Friends,

I take this opportunity to interact with you, the young generation, the generation which is ready to fly on the wings of education, and striving to reach the skies. Definitely, you are on the beginning of a new phase of life, knocking the new avenues. Your dreams of this golden period of life must be waiting to be realized practically. You have taken the first step by taking admission in this college. A college, which started its journey with 28 girls only, in the year 1956, truly beginning the “Beti Padhao” mission, is now grown up to have thousands of young minds enrolled here. Our students are most valuable for us, we care for them and try to make them better human beings and citizens of India. In addition to teaching, we offer you many opportunities to excel in other fields, like sports, cultural or literary activities. We try to ensure that when you go out from the college after completing the studies, you are transformed enough to be responsible social beings. In return, we expect that you do hard work, not only for your own, but also for the welfare of the society and nation as a whole. My continuous support and blessings are always with the students. I would like to acknowledge the hard work and efforts of all the teaching and non-teaching staff members who always work tirelessly with passion and commitment to help us grow further. I thank worthy office bearers and members of the Governing Body who are always with us to support and help us by devoting valuable time and energy for the betterment of the institution. I will be failing in my duties if I do not place on record the constant support, faith and encouragement received from all the parents, media personnel as well as general public.

OUR VISION...

To impart high quality and value-based education relevant to the present scenario and to provide the students a dynamic, interactive environment, with intent of shaping them into benevolent human beings.

OUR MISSION...

To foster the development of all aspects of student's personality and to enhance their creative skills so that they can tackle the challenges of life effectively.

OBJECTIVES

- To achieve academic excellence
- To boost problem-solving capacities and communication skills
- To encourage application-based studies rather than focusing on only theoretical knowledge
- To broaden their horizons and vision
- To empower the students to think critically so that they may change the face of the society
- To impart learner-centric, discussion and skill-based education to the students through conducive environment.

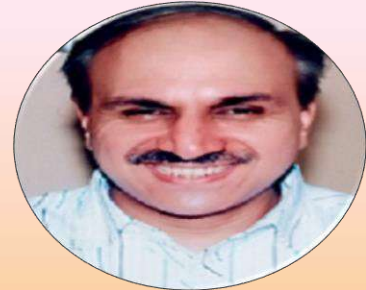

GOVERNING BODY

The College is led by a team of visionary governing body, which is working very hard to maintain a conducive atmosphere and ideal governance, which is a must for all round progress of the institution.

Mega Placement

Every student of any HEI aspires to find gainful career opportunities, as early as possible. These opportunities may be in the form of getting a job with some companies or in starting their self-driven enterprise. The college is committed to help its students realize their true potential and become financially independent through its PCGC. In previous session, the college organised Mega placement drive offering 250+ job openings with financial sector undertakings like IndusInd Bank, Utkarsh Small Finance Bank, HDFC, Ujjivan Bank and many other reputed companies like Alphasilicon, Policy Bazar, Bajaj Capital etc. In the mega placement drive conducted by the college, 700 students of 14 colleges from Panipat and Karnal districts participated and 102 students got selected for various job positions. Those not selected had a great learning experience, which will enable them to find their shortcomings and to perform better in future. Additionally, 1000+ job opportunities have been shared with the students with highest package going upto 3.6 lacs per annum.

Entrepreneurial and Skill Based Education

The future of any developing country depends on the lines on which the youth is moulded. The youth is the vital and vibrant segment of the society. They are the basic investments for the future and will shape the society. Unemployment amongst the educated youth has been one of the burning issues. The new competitive landscape has led to the need of the skill training based curriculum to be introduced for the youth in educational institutes. Haryana State Higher Education Council, Panchkula has taken an initiative for the skill based education under the theme “Livelihood Earning Scheme and Behavioural Education”.

College Faculty

The College has highly qualified faculty for specialization in their respective areas. Faculty members of Sanatan Dharma College have been actively involved in development of new curriculum undertaking research projects, conducting workshops, seminars, symposia and conferences at national and international levels. They also have to their credit publications of various books and research articles in reputed journals.

<p>Women Cell</p>	<p>The women cell of the college is primarily destined to look into the grievances of girl students as well as female staff, and also to provide guidance and assistance to them. This cell regularly organizes workshops and lectures on various topics related to women, like domestic violence, health and hygiene, sexual harassment and legal rights of women. Various competitions like Poster making, Declamation contest, Essay writing etc. are also organized from time to time to create awareness.</p>	<p>Dr. Kiran Madan Convener</p>
<p>Legal Literacy Cell</p>	<p>Majority of rural people are unaware of their legal rights, being illiterate or with poor educational background. This may even be true for many of the literate people, of urban as well as rural areas. They are usually not well versed with what are their rights and entitlements under the law. This lack of legal awareness many times leads to the exploitation and deprivation of rights and benefits. The Legal Literacy Cell of the college organizes various workshops, seminars, lectures and competitions to create awareness among the students about their legal rights.</p>	<p>Dr. Poonam Madan Convener</p>
<p>Placement & Career Guidance Cell</p>	<p>In order to become a self dependent, contributory citizen, employment is must. Getting employed in early age, without going to search for job is like a dream come true for the students. Keeping this in mind, the Placement and Career Guidance Cell (PCGC) of the college was established in 1998. The PCGC of the college leaves no stone unturned in making students job-ready. It conducts grooming and personality development exercises regularly to prepare students as per the requirements of the job market. The cell constantly organizes personality development trainings, industry exposures, quiz competitions, mock group discussions, and interviews to boost the confidence and skills of the students.</p>	<p>Dr. Arpana Garg Convener</p>
<p>Youth Red Cross</p>	<p>This Cell co-ordinates with the Red Cross and provides platform to the young students to learn and participate in various activities directly related to human life. The real-life practical, mock drills etc. make the students better prepared for disaster management and for saving the valuable human life.</p>	<p>Ms. Sonia Convener</p>

<p>Road Safety Club</p>	<p>This club co-ordinates with district authorities and provides guidance to the students about the very significant topic of road safety. We try to prepare the students to be well aware of the consequences of rash driving, irresponsible behaviour on the road and other related issues. Various activities are organized, including theoretical examinations and practical sessions on the topic.</p>	<p>Mr. Pawan Kumar Nodal Officer</p>
<p>Cultural Committee</p>	<p>Cultural activities play vital and crucial role in overall development of the students. Besides academics, there are many students who are having skills and talent, which need proper nurturing and assistance in order to scale new heights. The cultural committee of the college is always able to recognise the talent of students and puts hard work to polish the raw talent into professionally competent artistes.</p>	<p>Dr. Sunit Sharma Convener</p>
<p>Alumni Association</p>	<p>The alumni are pride for any institution. We are also proud of our distinguished alumni. The Alumni Association of our college keeps in regular touch with our old students who are excelling in various fields of work. We invite all our alumni who may have been out of contact for any reason, to contact us. We will be very happy to be connected with you.</p>	<p>Dr. Shashi Prabha Convener</p>
<p>Educational Tour Committee</p>	<p>Educational Tours play an important role in imparting practical knowledge of any subject. The conceptual base of the subject is certainly developed through theoretical teaching, but when it is supplemented with real-life observations, it makes a life-time impact. Through educational tours, the students get an opportunity to learn through self exposure to various events. The science students come to know about various latest developments of the field, and the students of commerce and humanities are also directly benefited by the field visits.</p>	<p>Dr. Rameshwar Dass Convener</p>

SC/BC Cell	Various welfare programmes of the government for the benefit of students.	Convener
Grievance Redressal Cell	This cell functions to resolve any general or specific issues of students, and takes care of their grievances. The grievance cell tries to pay attention to every minute complaint or problem faced by any student during his/her institutional tenure. Suggestion or other necessary inputs are provided to sort out the issue in wider interest of institution and students.	Dr. Nidhan Singh Convener
Discipline Committee	Discipline is primary requirement for any educational institute, and the students need a peaceful environment to concentrate on their academic pursuits. The discipline committee of the college takes all necessary steps to maintain a calm and congenial campus, for optimum output on every front of academic and extra-curricular activities.	Dr. Madhu Sharma Convener
Sanskarshala Club	Sanskarshala Club was established in 2019 to inculcate moral and social values among the students. Various social service activities are planned in each semester and they are implemented.	Ashwani Gupta Convener
National Service Scheme	National Service Scheme is a voluntary service of the nation, rendered by our young generation. The NSS unit of the college is very active and always at work. The students take out time from their studies and indulge themselves in various social activities, which are a source of inspiration to everyone. We co-ordinate with the local administration in implementing various schemes and social work activities like tree plantation, awareness drives, helping the most needy ones in the society from time to time.	Dr. Jogesh Programme Officer
National Cadet Corps	The National Cadet Corps is voluntary Youth Wing of Armed Forces, which prepares the youth for bigger avenues and challenges in life. The cadets are trained about various aspects of armed forces, like Drill, Map Reading, Shooting etc. which develop leadership qualities and interest to join armed forces. Our college NCC unit is a part of 12 Haryana Battalion NCC, Sonapat. The college unit offers enrollment to male as well as female students, which participate enthusiastically in all the activities of NCC.	Lt. Rajesh Kumar Associate NCC Officer
