## Report

The Department of Chemistry at I.B. College, Panipat, had a planned visit to the Department of Chemistry at K.U. Kurukshetra (KUK) for a hands-on field experience. To facilitate this visit, an email was sent to the Chairperson of the KUK Chemistry department on June 3rd, 2022, seeking their consent. Fortunately, the Chairperson graciously accepted the request and proposed scheduling the visit on June 6th, 2022.

On the scheduled date, June 6th, 2022, at 10 am, the undergraduate students, accompanied by the contingent in charges, Dr. Vikram Kumar, and Prof. Simran, arrived at the KUK Chemistry department. They were warmly received by Dr. Neera Raghav, the Chairperson of the Chemistry department at KUK. Dr. Neera Raghav interacted with the visiting students, emphasizing the significance of chemistry and the potential career opportunities in the field. She motivated the students to explore the world of chemistry in any capacity they desire. Furthermore, she informed the students about the various research and development schemes offered by both the central and state governments.

During the visit, the students also had the opportunity to interact with Dr. Sanjiv Arora, a professor in the KUK Chemistry department, who provided further motivation and insights into the subject. The students thoroughly enjoyed the visit and felt privileged to be able to visit such a renowned department.

Throughout their visit, the students and the contingent in charges received excellent support from the teaching and non-teaching staff at the KUK Chemistry department. Overall, the visit was highly successful and left a positive impact on everyone involved.
