Proceedings:

A. Dr. Mohd. Ishaq, co-ordinator IQAC formally welcomed everyone present in the meeting. He asserted that despite the recent setbacks caused due to Covid-19 pandemic, our students and faculty has performed very well in various activities. The chairperson of the meeting Dr. Ajay Kumar Garg, Principal urged the members to start the proceedings.

B. The co-ordinator IQAC Dr. Mohd. Ishaq started the proceedings, and to begin with he again informed the house about the agenda of the day's meeting, which was read as below:

Co-ordinator
Internal Quality Assurance Cell
I.B. College, PANIPAT

Principal
I.B. (P.G.) College, Panipat

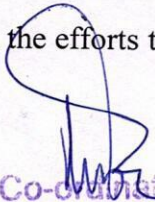

- **12.1** To approve the minutes of the 11th Meeting of IQAC held on **24.04.2020** along with approving the steps taken to comply with the previous recommendations.
- **12.2** To propose an activity calendar for the next session.
- **12.3** To discuss the conduct of online classes and to finalize the online teaching platform for conducting the classes.
- **12.4** To inform the house about various activities conducted during and after the lockdown period by various Departments/Cells/Committees/Clubs/Subject Associations.
- **12.5** To update the house about the status of AQAR w.e.f. session 2017-2018
- **12.5** Any other item, with permission of the Chair.

B. The deliberations were further carried out point-wise and the following was resolved unanimously:

- **12.1** The minutes of the previous meeting held on 24.04.2020 were approved by the house. Chairperson Dr. Ajay Kumar Garg informed the house about the steps taken by the college to incorporate the suggestions provided by the house. He stated that our faculty has very successfully delivered teaching-learning material during the entire period of restrictions. The content delivery on DGHE portal by our Commerce and English faculty has also been carried out meticulously, as it was desired by DGHE, Haryana (Point 11.2; Previous Meeting). He further added that the faculty was regularly engaged in catering to the needs of the students. It was also brought to the notice of the house that we have not only very successfully organized different inter-college national or state activities to minimise the psychological impact of Covid-19 among the students, but also encouraged our students to participate in as many events as possible. He expressed pleasure over the fact that many of our students have bagged first, second, third or consolation prizes during these competitions (Point 11.3; Previous Meeting).

The co-ordinator IQAC, Dr. Mohd. Ishaq elaborated the action taken with respect to point 11.4 (Previous Meeting), by telling the house that we have organized various online meetings of our teaching faculty on different digital teaching platforms, so that they become well acquainted with technical aspects of online teaching-learning.

In context with the issue raised at point 11.5 (Previous Meeting), the house was informed about the efforts taken by the students and faculty to spread the awareness by conducting

various online programmes on novel Corona Virus and Covid-19 safety protocols. The services rendered by our volunteers in distributing the masks and other sanitisation items during this entire period were acknowledged by the house.

- **12.2** As the entire schedule of a normal academic session as proposed by the higher authorities could not be followed due to emergent situations arising out of Covid-19 crisis, the house discussed about the plans to bridge the gaps. For this, it was iterated by the co-ordinator that the instructions and guidelines from the government and university will be adhered to regarding the conduct of classes, whether in online, offline or blended mode. He invited suggestions from the house, and after deliberations, it was resolved that the college shall continue the teaching-learning along with enrichment activities for faculty as well as students. We will make all the required efforts to provide ample opportunities to the students for participation in off class activities also, in offline or online mode, as the case may be. To minimise the impact of shifting of academic session, the number of activities will be maintained to the optimum level.

- **12.3** Principal Dr. Ajay Kumar Garg informed the house that we are providing training to our teaching faculty about different virtual teaching platforms like Zoom, Google Meet, MS Teams etc. to keep them prepared for online teaching, in case of any unprecedented situations in future. Inputs from the staff are being obtained about the suitability of these platforms. As admissions are going on presently, the most suitable virtual platform, which can include all the students through their unique login credentials, will be finalised before the onset of teaching. He also told that we have already made arrangements for online teaching though the campus by setting up adequate number of necessary devices like computers, headphones, cameras etc. which are indispensable for online teaching. Dedicated LAN connections have been established in these classrooms, this means we are all set to operate teaching through online, offline or blended mode.

- **12.4** Dr. Ajay Kumar Garg brought to the notice of the house the details of various activities in which our students not only participated, but have won a good number of prizes also. He credited these achievements to the hard work of the participating students

as well as to the motivation and guidance from the faculty concerned. The house unanimously appreciated the performance by the students. Dr. Ajay Kumar Garg also highlighted the fact that we have organized a good number of webinars for the faculty during the restriction period, and a large number of them have been organized since our last IQAC meeting. Not only the faculty participated in our own programmes, but our teachers have also actively participated in many such programmes organized by different institutions across India.

- **12.5** The co-ordinator IQAC, Dr. Mohd. Ishaq provided an update about the latest developments regarding the submission of AQAR for NAAC Assessment purpose. The house was informed that due to unavoidable circumstances during the past few months, the pace of this work was affected. He assured that we will be able to get the AQARs for the sessions 2017-2018 and 2018-2019 approved by IQAC, most probably in the next meeting, as we have now re-started the process of data consolidation.

12.6 Dr. Vikram Kumar added to the information of the attendees that the cases for CAS promotion of some members are to be forwarded to the screening/selection committee, and it needs approval from the house. The house approved that the process can be taken up at the earliest and the requests from Dr. Arpana Garg, Dr. Gurnam Singh, Dr. Jogesh, Dr. Parveen, Dr. Seema and Ms. Sonia should be forwarded to the concerned higher authorities. He further informed the house that we have started a Certificate Course on Artificial Intelligence for our students and we are also in the process of signing MoUs with some agencies/institutions including the one for Faculty Development programmes.

D. The meeting ended with formal vote of Thanks by Dr. Mohd. Ishaq.

B. The co-ordinator started the proceedings and read out the agenda points in the house, which were listed as below:

- **13.1** To confirm the minutes of 12th Meeting of IQAC held on 16.10.2020 and to approve the actions taken in response to previous recommendations.
- **13.2** To seek the approval for submission of Annual Quality Assurance Reports (AQARs) for Academic Sessions 2017-2018 and 2018-2019.
- **13.3** To discuss the conduct of various Seminars/Conferences/Symposia/Workshops etc. in online mode at National/International level with due approval from higher authorities.
- **13.4** To inform the house about academic collaboration for conduct of Faculty Development Programme under PMMMNMTT.

- **13.6** To re-constitute the IQAC, as per NAAC guidelines.
- **13.7** Any other item, with permission of the Chair.

C. The deliberations were further carried out point-wise and the following were the outcomes from the discussions in the meeting:

- **13.1** The minutes of the previous meeting held on 16.10.2020 were approved by the house. Chairperson Dr. Ajay Kumar Garg briefly explained about the actions taken in accordance with the suggestions that came out from deliberations in the previous meeting. In response to Point 12.2 (Previous Meeting), he informed the house that during this period, we have successfully conducted a large number of programs for the benefit of students, wherein a large number of students participated with full enthusiasm. Our students have also participated in many programs organized by other institutions throughout the state and country. Along with this, a workshop on SPSS was also conducted for teaching faculty of various educational institutes across India. Regarding the provision of line-teaching learning platform (Point 12.3; Previous Meeting), Dr. Ajay Garg informed the house that we are using Microsoft Teams Virtual Teaching platform and all our students and faculty have been provided with unique login ids. The teachers have created their teams on this app, and they have been provided enough technical training required to handle these virtual classes. Resultantly, our faculty is now very

conveniently handling the blended mode of teaching, as students are coming to the college on a staggered basis. The students who visit the classes interact in the classes and the students who cannot come to the college, the classroom interaction is available to all of them in live mode through MS Teams platform.

Referring to point 12.5 (Previous Meeting), the co-ordinator IQAC, Dr. Mohd. Ishaq expressed his satisfaction that our NAAC steering committee, in coordination with all the conveners has finalized the AQARs for sessions 2017-2018 and 2018-2019, and the same are presented to the house for approval. In connection with point 12.6 (Previous Meeting), he informed the house that the promotion cases of teachers were sent to concerned higher authorities and screening committee meetings will be held by the university and we will take appropriate action from our side, as and when required. Further, for the same point, he informed that the MoU regarding FDPs for the teaching faculty is going to be realised soon, and the house will discuss more in this regard in today's meeting itself.

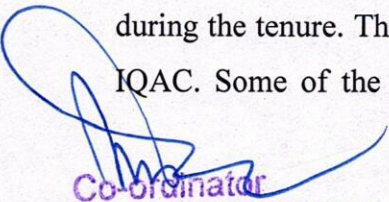

- **13.2** The Co-ordinator IQAC Dr. Mohd. Ishaq requested the house to approve the AQARs for Academic Sessions 2017-2018 and 2018-2019, which will be submitted on NAAC portal after approval. He informed the house that we have completed the process of generation of these AQARs by the dedicated efforts of our staff, led by our Principal. After deliberations, the house approved the AQARs and it was resolved to proceed further with the process of uploading the same within the time frame. Principal Dr. Ajay Garg stated that the AQARs along with associated data have already been thoroughly checked by the steering committee. To minimise any errors or omissions, we are again cross checking the facts and figures and we will upload the AQARs of these two sessions soon (Action to be taken by the Co-ordinator, IQAC). He further informed the house that the AQAR for the session 2019-2020 is also near completion and it will be brought to the house in the next meeting for approval (Action to be taken by the Co-ordinator, IQAC).
- **13.3** Dr. Ajay Garg informed the house that we are planning a few academic enrichment activities for the faculty. To begin with, we have sought approval of the Director General Higher Education Haryana for conducting an online 2-days International Conference, to

be organised by the faculty of Science. We are hopeful to get the approval very soon and tentatively the conference will be organised in last fortnight of March, 2021 or in first fortnight of April, 2021. He further stated that we are planning to invite some resource persons from outside India who will be interacting with the delegates.

- **13.4** Dr. Arpana Garg informed the house that we are in final stages of signing a memorandum of understanding with Ramanujan College, University of Delhi which is an institute offering academic collaborations under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT). We are planning to conduct some Faculty Development Programmes under this collaboration and teaching faculty across India can participate in these programmes. She further detailed the house about the correspondence being done in this regard and the requirements from our end. The house unanimously approved the proposal and desired that the necessary formalities be completed very soon and collaboration must be realised. Principal Dr. Ajay Garg also assured the house that the college will finalize the MoU with Ramanujan College, New Delhi and a committee of our college will be constituted to look after the process of conducting Faculty Development Programme (Action to be taken by the O/o Principal).
- **13.5** Principal Dr. Ajay Garg informed the house that we are planning to add some smart classrooms in the college, and after approval, the process of purchasing and installation will be initiated very soon. He also provided the estimated budget requirements for this infrastructural development. The house unanimously approved the proposal and it was resolved to have latest versions of digital/smart boards through a purchase committee (Action to be taken by the O/o Principal).
- **13.6** The co-ordinator IQAC Dr. Mohd. Ishaq requested the house to deliberate upon the re-constitution of IQAC of the college, as per NAAC guidelines. He expressed his gratitude to all the external members of IQAC for their full co-operation and support during the tenure. The house approved the request and it was decided to re-constitute the IQAC. Some of the members desired to take a leave from IQAC. Principal Dr. Ajay

Kumar Garg appreciated the painstaking efforts of all the esteemed members of the Cell. He specifically requested the experts and other members taking a leave to continue their full co-operation and support to the institution for its overall growth. The members assured that the institution can always hope for a genuine support from all of us in best possible ways, and whenever desired in future, they can be a part of any of the committees of the college including IQAC. The house unanimously resolved the re-constitution of IQAC (Action to be taken by the O/o Principal).

- 13.7 Principal Dr. Ajay Garg informed the house that in order to excel in academic and extra-curricular activities, collaborative approach is always fruitful. Realizing the significance of collaborative growth, our college is making efforts to have academic collaboration with some institutions across the state. We are identifying the thrust areas, where we can get benefits through mutual exchanges. He further expressed hope that the MoUs with different institutions will not be restricted to state boundaries. Principal Dr. Ajay Kumar Garg informed the house that we have certain regulations in force to dispose off routine activities of the institution. However, according to many of the latest guidelines from higher regulatory authorities, these policies are to be reflected on the public domain. Therefore, we need to formally design our internal institutional policies like environmental policy, Gender Policy, IT policy, welfare policy etc. We may take some time to finalize these policies and most probably we will be able to get the approval of the house regarding these policies in the next meeting of IQAC.

D. The meeting ended with formal vote of Thanks by Dr. Nidhan Singh.
