B. The co-ordinator, Dr. Mohd. Isaq started the proceedings by reiterating the agenda of the days' meeting, which read as below:

- **14.1** To confirm the minutes of 13th Meeting held on February 03, 2021 and to present the action taken report.
- **14.2** To chalk out plan of action for upcoming Academic Session (2021-2022) for overall improvement of admissions, academics and other significant activities.
- **14.3** To discuss the effects of COVID-19 second wave on teaching-learning and the ways and means to counter the effects at institutional level.
- **14.4** To discuss the latest status of under-construction Science Block.
- **14.5** To seek approval for uploading Annual Quality Assurance Report (AQAR) for the Academic Session 2019-2020.
- **14.6** Any other item, with permission of the Chair.

C. The deliberations were further carried out point-wise by Dr. Isaq and the outcomes from the discussions during the meeting are being briefly put below:

- **14.1** The minutes of the previous meeting held on 03.02.2021 were approved by the house along with putting forward the actions taken in accordance with the suggestions that came out from deliberations in the previous meeting. Dr. Mohd. Isaq informed the house that uploading of AQARs for the sessions 2017-2018 and 2018-2019 is complete and approval from NAAC is pending. We have got some queries to be addressed, which we shall be doing very soon (Action Taken on Point 13.2, Previous Meeting). As was discussed in the previous meeting (Point 13.2), we are seeking approval of AQAR for the session 2019-02020 in today's meeting. In context with point 13.3 of previous meeting, Principal Dr. Ajay Kumar Garg informed the house that after we got approval from DGHE, Haryana, we have been able to successfully organize two days online international conference on April 9 & 10, 2021, organized by the Faculty of Science, Research Development Cell and IQAC. Also, we have got approvals to organize two online conferences, one each in Home Science and Political Science. He further informed the house that a Faculty Development Programme on MOOCs (Optimizing ICT Tools for Higher Education) is finalized to be held from June 18 to 26, 2021, in collaboration with

TLC, Ramanujan College, University of Delhi under PMMMNMTT. Registrations are already open for this program (Point 13.4, Previous Meeting).

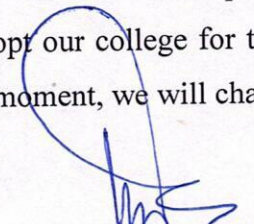

Principal Dr. Ajay Kumar Garg expressed pleasure in informing the house that we have added and upgraded smart classrooms for our students. The teaching faculty has got training through online module (Point 13.5, Previous Meeting).

Dr. Mohd. Isaq informed the house that we have re-constituted the IQAC, by inducting five new members (Point 13.6, Previous Meeting). Principal Dr. Ajay Garg informed the house that we have signed MoUs with two Colleges for academic and extra-curricular activities, and we are in process of signing MoU with an industrial enterprise for skill enhancement (Point 13.7, Previous Meeting).

Dr. Garg further informed the house about institutional policies framed as per discussion (Refer to Point 13.7, Previous Meeting) and informed that the policy documents are ready to be released after they are approved by the house today. He briefly apprised the house about the institutional policies namely Admission Policy, Anti-sexual Harassment Policy, E-governance Policy, Energy and Carbon Policy, Finance Policy, Quality and Environment Policy, Gender Policy, Information Technology Policy, Grievance Redressal Policy, Human Resource Policy, Infrastructure Policy, Institutional Development Plan, Purchase Policy, Solid Waste Management Policy, Purchase Policy, Perspective Plan and Roadmap as well as Staff Welfare Policy. The house approved the policies and Principal Dr. Ajay Kumar Garg unveiled the policy documents to be uploaded on the institutional website.

Sh. Bharat Chhabra suggested that the Grievance Redressal Cell of the college should be renamed as Internal Complaint Committee.

- **14.2** Dr. Mohd. Isaq invited suggestions from the house regarding this point. He emphasized that we should contact and connect with good students, so that they can be invited to take admissions. Prof. R.P. Chauhan expressed his views that we now have multiple options of reaching out to the students and the connectivity should be improved to attract best students to the institution. Chairperson Dr. Ajay Kumar Garg informed the house that we are planning to reach out to various institutions for inviting the students to opt our college for their higher education. As the schools are closed for students at this moment, we will chalk out strategies as per the circumstances. One of the effective means

of circulation can be college website, and it can be used for attracting the students to take admission in our college (Action to be taken by: Website Committee). He expressed hope that we will be able to increase student intake, and the admission process will be smooth, and will be carried out as per SoPs issued by the Government.

14.3 Dr. Ajay Kumar Garg informed the house that for strengthening digital learning, we have streamlined the usage of MS Teams application, effectively from the odd semester of 2020-2021. Required trainings were organized in the session, and 30 classrooms were made functional to enable blended mode of teaching. Teachers are comfortably taking their online classes, as they are now abreast with the technology. Along with it, youtube videos, digital contents in various formats are prepared and shared by the teachers for the benefit of students. It is imperative to further enhance the ICT infrastructure availability and it is being looked upon by the college. We are very soon starting the process of procuring new computers, the purchase of 150 new computers and associated furniture is in pipeline and necessary documentation has been initiated. We are trying to ensure maximum connection between the teachers and students, and the contents are being shared with the students by many means accessible to students. To overcome the covid related stress, the students are regularly engaged in various activities, where they are actively participating.

- **14.4** Principal Dr. Ajay Garg informed the house that despite difficulties posed by re-emergence of Covid-19, the construction work of the science block is going on with maximum possible speed. He expressed hope that the Science Block will be operational in September-October 2021.
- **14.5** The co-ordinator Dr. Mohd. Isaq sought the approval of house for uploading the AQAR for the session 2019-2020 on NAAC portal, and the house unanimously approved the point. He again informed the house that for assessment cycle 2, we have initiated the process from session 2017-2018 onwards.
- **14.6** Sh. Bharat Chhabra expressed concerns about need to strengthen the alumni association with more and more inputs from the college alumni, which are well placed in different fields of academia, business and administration. On this matter, Principal Dr. Ajay Kumar Garg suggested to forward the matter to concerned cells for action (Action to be taken by: Alumni Association, Placement Cell). Prof. R.P. Chauhan said that

technology learned is never wasted, and even the senior most teachers must try to learn the present-day approaches to teaching-learning. The technology learnt by senior persons may be utilized for personal use like delivering it to the next generation. He also appreciated the efforts put in by the college in conducting Multidisciplinary International Online Conference in April this year. He also suggested that alumni help should be availed in Academic/Financial/Service sector.

Principal Dr. Ajay Kumar Garg informed the house that we have offered some certificate courses for skill enhancement of the students. The college intends to start some more certificate courses in the fields like IT, Computers, Health & Hygiene, Yoga, Marketing, Business, Language and Communicative Skills, Employability Skills etc. (Action to be Taken By: Various Departments, Cells, Committees etc.). He presented a detailed overview of the proposed certificate courses and provided detailed information on the objectives, target participants, and potential benefits of such courses. He also discussed and invited suggestions about the content and structure of the proposed certificate courses. Various aspects, such as course duration, curriculum, prerequisites, and learning outcomes, were thoroughly analyzed and debated. The house discussed the financial and other implications of starting the certificate courses, like faculty availability, timetable, resources and infrastructure. The financial feasibility of each course was considered, and it was decided that the certificate courses will be free of cost for the students, for the time being. The financial implications will be reviewed, and nominal charges may be imposed, if required for viability of running these courses.

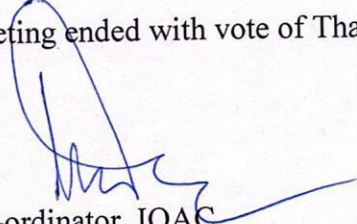

Dr. Ajay Kumar Garg asked the house to review presently running courses, for which, after discussions, the house resolved that these certificate courses should also be continued, and the newer ones will be added to the list. The students will be informed about these courses and it is expected that each student should enroll for and participate in at least one certificate course and get benefitted. He added that we will consider re-organization of the Grievance Redressal Cell of the college. However, he asserted that we have streamlined the grievance redressal mechanism of the institution. Along with maintaining the complaint/suggestion boxes, we have provided the students with a link on the website. Additionally, the students can directly approach the concerned office. He

various placement drives. We have started more than 10 certificate courses, some of them are near completion. College has organized more than 20 webinars in the last 9 months. All these activities were widely circulated through different media platforms, and this will enhance the connectivity of the institution with the public. Also we are trying to have liaison with some other institutions, so that the best students can be motivated to join our college to pursue higher studies (Point 14.2, Previous Meeting). He also informed the house that the college website is regularly being updated and latest information is presented for everyone to see (Point 14.2, Previous Meeting). He further spoke about the infrastructural augmentation and told the house that the civil work of the entire campus including the new Science Block has been completed. The infrastructure of new Computer Lab was finalised after visiting many labs and our computer lab is well equipped and functional now. We have installed 10 projectors in the college and the entire campus is networked through 200 Mbps lease line (Point 14.3, Previous Meeting). Dr. Ajay Kumar Garg invited the committee to visit the newly established labs after lunch. He expressed his pleasure that the college has started a tradition of performing Hawan on first Tuesday of every month. He also informed the house that despite of unavoidable delay posed by third wave of COVID-19, the new Science Block will be fully functional in April 2022, and the shifting is almost complete (Point 14.4, Previous Meeting).

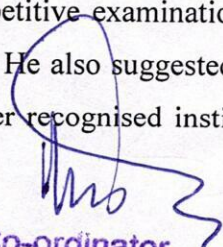

Co-ordinator IQAC, Dr. Mohd. Isaq informed the house that the AQAR for the session 2019-2020 has been uploaded on the NAAC Portal within the given time frame and it is approved (Point 14.5, Previous Meeting). Regarding Point 14.6, (Previous Meeting) Dr. Arpana Garg informed the house that we have tried to reach out to maximum number of our alumni and have successfully organized an online alumni meeting in August 2021. We have also organized an online Webinar "Swami Vivekanand and Universal Brotherhood" in September 2021, where one of our Alumnus Mr. Sushil Kumar Chahal was the co-convenor. A workshop was also organized by our Alumnus Mr. Sushil Kumar Chahal in December 2021.

The minutes of the previous meeting held on 09.06.2021 were approved by the house.

- **15.2** Principal Dr. Ajay Kumar Garg informed the house that we have already got NAAC approvals of AQARs for the sessions 2017-2018; 2018-2019 and 2019-2020. The AQAR for the session 2020-2021 is being presented here in the meeting today for approval and significant suggestions. It will be submitted on the portal after further critical review of the data and templates.
- **15.3** Dr. Ajay Kumar Garg informed the house that we have already completed data uploading on AISHE, NIRF and have also got ISO certification.
- **15.4** The house discussed the infrastructural developments of the college during recent past. Principal Dr. Ajay Kumar Garg informed that after the science block is shifted to new building the necessary renovations will be done in the campus, and some of them are already in force. We are also going to re-establish the lawn and improve the landscape of the college, as the major construction work is finished (Action to be taken by: Horticulture and Landscape Committee). He also informed that we are going to construct a new parking place for the staff vehicles, and some other construction civil works are also being taken up. The entire campus is constantly being renovated, the classroom and office furniture as well as other necessary items are being either repaired or purchased, as per the requirement.
- **15.5** The co-ordinator IQAC, Dr. Mohd. Isaq informed the house that the feedback is gathered from various stakeholders of the institution and the required reforms are being applied wherever suggested. Prof. R.P. Chauhan has expressed his satisfaction regarding overall improvements of the institution achieved in recent few years, like organization of various conferences and other events. He also suggested that we need to work out on placement activities where the alumni can play a significant role. He cited the example of his own institution, where some special events were organized and those events resulted in accumulation of a huge amount of finances (Action to be taken by: Alumni Association). He also suggested that the library services may be provided in blended mode, and smart classrooms should be optimally used. Dr. Jinender Jain suggested that foreign language courses should be taken up as well as there can be creation of facilities for competitive examinations. He also suggested the use of web resources, as much as possible. He also suggested some useful skill oriented courses to be run in collaboration with other recognised institutions. Sh. Ashwani Mittal suggested that student exchange,

all the attendees of the meeting and sought approval of the Principal Dr. Ajay Kumar Garg to start the proceedings.

B. The co-ordinator, Dr. Mohd. Ishaq read out the agenda points of the meeting, as given below:

- **16.1** To confirm the minutes of 15th Meeting held on March 12, 2022 and to present the action taken report.
- **16.2** To chalk out plan of action for upcoming Academic Session (2022-2023), to approve the academic calendar of the college.
- **16.3** To strengthen the sports and cultural activities to carry them to higher levels and to apprise the house about the institution's achievements in these fields.
- **16.4** To discuss ways and means to optimise skill enhancement activities for the students.
- **16.5** To discuss the progression of Annual Quality Assurance Report (AQAR) for the Academic Session 2021-2022 and status of NAAC Accreditation process.
- **16.6** Any other item, with permission of the Chair.

C. Dr. Mohd. Ishaq invited the Chairperson Dr. Ajay Kumar Garg to apprise the house about the actions taken after the last meeting of IQAC, which was held on 12.03.2022.

- **16.1** Dr. Ajay Kumar Garg told the house that AQAR for the year 2020-2021 has been uploaded on the NAAC portal after approval (point 15.2, previous meeting). He expressed his pleasure in stating that the newly constructed Science Block is fully functional now (see 15.4, previous meeting) and the classes are being run with full capacity in that building. He also informed that the landscaping/lawn work has also been completed (see 15.4, previous meeting) and the parking lot for staff vehicles is also ready (15.4, previous meeting). Infrastructural augmentations are constantly being carried out, as per requirement. Talking about Placement & Career Guidance Cell activities as suggested by Prof. R.P. Chauhan (previous meeting, 15.5) he informed the house that the college has conducted a successful "Mega Placement Drive" for own students as well as for students from other institutions from Karnal and Panipat districts. During this drive, more than 550 students got registered and around 300 students participated in interviews. More than 100 students were selected for jobs in various companies. Alumni association continued reaching out to alumni of the college, and plans to have an Alumni Meet soon

(previous meeting, 15.5). Dr. Ajay Kumar Garg also informed the house that we are positively working on the other suggestions received during the previous meeting held on March 12, 2022. He also told that we have got energy audit completed from a recognised agency (previous meeting, 15.5). The house, thence, approved the minutes of previous meeting.

➤ **16.2** Dr. Mohd. Ishaq, co-ordinator IQAC informed the house that we have chalked out the activity plan-cum-academic calendar for the academic year 2022-2023, keeping in view the academic calendar issued by Kurukshetra University, Kurukshetra. The same is being presented here for suggestions and approval. The suggestion from Prof. R.P. Chauhan to pre-pone the alumni meet from December to October was agreed upon and consequently the amendment was made in the calendar.

➤ **16.3** Dr. Mohd. Ishaq informed the house that we are in a process of developing additional sports facilities along with two gymnasias (separately for Boys and Girls). The cultural, co-curricular and extra-curricular activities are being conducted on regular basis, and the students are actively participating in these activities. Along with activities conducted on campus, the students are encouraged and facilitated to participate in the activities organized by other institutions. As we are almost out of the online mode, the efforts will be made to organize as many offline activities as possible, so that maximum students can participate as per their interest.

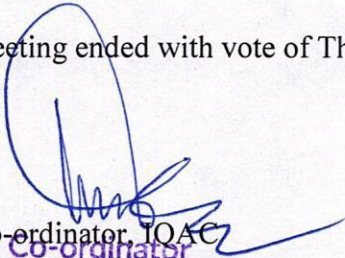

➤ **16.4** The house discussed the possibilities of developing a better skill enhancement network, which will cater to the need of students. Principal Dr. Ajay Kumar Garg told the house that taking care of employability issues, we already have MoU with Medha Learning Foundation, Lucknow through which our students are learning many skills which will make them employable. The institution is working towards having collaboration with Shri Vishwakarma Skill University, Palwal, Haryana to offer some skill oriented, specialized courses in near future.
