ABOUT THE COLLEGE

I.B. (PG) College is a premier co-educational institution in Haryana. It was founded in 1956 in the memory of the well-wisher of LeiahBiradari Late Sh. InderBhan Dhingra. Keeping in view the requirement of education for women, Late Seth Brij Lal Dhingra with the help of his energetic friends Late Sh. Shanu Lal Narang & Late Sh. SukhDayal Sachdeva, founded this college for women only. In 1966, the college started working as a co-educational institute. The college progressed by leaps and bounds under the leadership of Late Dr. Somnath Dhingra and Late Sh. Ram Kishan Gandhir who worked in the capacity of erstwhile President & Vice President respectively.

The college has steadily built up over the past six decades, maintaining high traditions of scholastic excellence along with the culture of discipline and social service. The overall goal is to prepare the students to play roles in the society with responsibility and commitment.

COLLEGE PROFILE

Located in the historical city of Panipat, I.B. (PG) College is one of the prestigious institutions of higher education in the city. It was established in the year 1956. Since inception, it has witnessed remarkable progress on many fronts. At present, it has student strength of more than 3000, with 126 teaching staff and more than 90 non-teaching staff members. The college is affiliated to Kurukshetra University, Kurukshetra and is recognised by UGC. It has congenial atmosphere to enable students to realise their full potential. Various courses, both at UG and PG level are offered, mainly in the streams of Arts, Science and Commerce. Our emphasis is on all round development of our students. We assist them to grow individually, socially and mentally by organising co-curricular activities on regular basis. Highly qualified and dynamic faculty members have a passion for teaching and they not only fulfill the academic needs of students, but also sensitize them towards social issues so that they may add to the betterment of society. Every year, our students bring laurels to the college by clinching University positions. The college has the honour to own a sprawling campus with well-ventilated classrooms, fully-equipped science labs, computer labs and spacious AC seminar hall. In the pursuit for excellence, the college is constantly upgrading its infrastructure and in the same direction, construction of a new and modern science block is in full swing. To fulfill the safety needs, the campus is CCTV enabled. Apart from departmental libraries in different departments, there is a spacious and well stocked central library with comfortable seating arrangement and rich collection of books, magazines and periodicals. The library is fully automated and Web-OPAC facility is also available. The college is proud of notable alumni, who have distinguished themselves in different fields of academics, corporate and administration. We leave no stone unturned to assure that every student becomes capable of playing a vital role in building sound base of a progressive society.

PRESIDENT'S MESSAGE

SH. DHARAM BIR BATRA
PRESIDENT

More than 60 years ago, a sapling was planted in the form of a small institution, by our honorable, generous and far-sighted elders. They donated huge amounts of funds, worked tirelessly with an extraordinary zeal, envisaging a vision and dream for the generations to come. With their exemplary support and continuous blessings, the sapling is now transformed into a bouquet of fragrant flowers, which certainly is a delight for all of us. We are constantly striving to achieve the highest goals of academic excellence through our highly motivated team of teachers and supporting staff. Students are our first and foremost priority, and we take utmost care to deliver the best contents to mould them into socially responsible and honest citizens of India.

I wish for your bright future and assure you that we will make every possible effort to enlighten your path to a successful career.

PRINCIPAL'S MESSAGE

DR. AJAY KUMAR GARG
PRINCIPAL

Dear Young Friends,

I take this opportunity to interact with you, the young generation, the generation which is ready to fly on the wings of education, and striving to reach the skies. Definitely, you are on the beginning of a new phase of life, knocking the new avenues. Your dreams of this golden period of life must be waiting to be realized practically. You have taken the first step by taking admission in this college. A college, which started its journey with 28 girls only, in the year 1956, truly beginning the "Beti Padhao" mission, is now grown up to have thousands of young minds enrolled here. Our students are most valuable for us, we care for them and try to make them better human beings and citizens of India. In addition to teaching, we offer you many opportunities to excel in other fields, like sports, cultural or literary activities. We try to ensure that when you go out from the college after completing the studies, you are transformed enough to be responsible social beings. In return, we expect that you do hard work, not only for your own, but also for the welfare of the society and nation as a whole. My continuous support and blessings are always with the students. I would like to acknowledge the hard work and efforts of all the teaching and non-teaching staff members who always work tirelessly with passion and commitment to help us grow further.I thank worthy office bearers and members of the Governing Body who are always with us to support and help us by devoting valuable time and energy for the betterment of the institution. I will be failing in my duties if I do not place on record the constant support, faith and encouragement received from all the parents, media personnel as well as general public.

OUR VISION

To impart high quality and value-based education relevant to the present scenario and to provide the students a dynamic, interactive environment, with intent of shaping them into benevolent human beings.

OUR MISSION

To foster the development of all aspects of student's personality and to enhance their creative skills so that they can tackle the challenges of life effectively.

OBJECTIVES

- To achieve academic excellence
- To boost problem-solving capacities and communication skills
- To encourage application-based studies rather than focusing on only theoretical knowledge
- To broaden their horizons and vision
- To empower the students to think critically so that they may change the face of the society
- To impart learner-centric, discussion and skill-based education to the students through conducive environment.
GOVERNING BODY

The College is led by a team of visionary governing body, which is working very hard to maintain a conducive atmosphere and ideal governance, which is a must for all round progress of the institution.

BEST PRACTICES

Website

The college has its own website that allows a glimpse of the entire working of the institution. It is duly updated and it gives information about the college, managing committee, staff, library, courses taught, syllabi, teaching facilities etc. The website can be accessed at *www.ibpgcollegepanipat.ac.in*

Mega Placement

Every student of any HEI aspires to find gainful career opportunities, as early as possible. These opportunities may be in the form of getting a job with some companies or in starting their self-driven enterprise.The college is committed to help its students realize their true potential and become financially independent through its PCGC.In previous session, the college organised Mega placement drive offering 250+ job openings with financial sector undertakings like IndusInd Bank, Utkarsh Small Finance Bank, HDFC, Ujjivan Bank and many other reputed companies like Alphasilicon, Policy Bazar, Bajaj Capital etc. In the mega placement drive conducted by the college, 700 students of 14 colleges from Panipat and Karnal districts participated and 102 students got selected for various job positions. Those not selected had a great learning experience, which will enable them to find their shortcomings and to perform better in future.Additionally, 1000+ job opportunities have been shared with the students with highest package going upto 3.6 lacs per annum.

Entrepreneurial and Skill Based Education

The future of any developing country depends on the lines on which the youth is moulded. The youth is the vital and vibrant segment of the society. They are the basic investments for the future and will shape the society. Unemployment amongst the educated youth has been one of the burning issues. The new competitive landscape has led to the need of the skill training based curriculum to be introduced for the youth in educational institutes. Haryana State Higher Education Council, Panchkula has taken an initiative for the skill based education under the theme "Livelihood Earning Scheme and Behavioural Education".

Notes:

➢ Subjects (Major and Minor), DSE, DSEC, SEC, AEC, MDC and VAC courses will be offered by the Department/ College/ Institute depending upon its available faculty, infrastructure and time table.

➢ A student will opt for Multidisciplinary Course from the subject which is different from the discipline of major and minor subjects.

➢ 	Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) or opted as major and minor discipline under this category. Provided further that if a Multidisciplinary Course across the discipline cannot be offered by the Department/ Institute/College, due to its constraints and available resources, then
  i. MDC can be opted out of MOOCs through SWAYAM
  ii. MDC can be completed out of online courses offered by the Kurukshetra University
  iii. MDC can be completed from a cluster college, i.e., from a neighbouring college/institute

➢ A student will opt for AEC, SEC, VAC and Minor(Vocational) courses from the respective pools of courses offered by the Department/ College/Institute duly approved by the University. A Department/Institute/College can add more courses in the pools of AEC, SEC, VAC and Vocational courses with prior approval of the university.

➢ For first and second semester of UG programme (Multidisciplinary) (Scheme A and B), a student can choose a Minor Course of 2 credit from the pool of minor subjects in that semester offered by the Department/Institute/College.

➢ For first and second semester of UG programme with Single Major (Scheme C), a student can choose a Minor Course of 4 credit, say Subject E, out of available Core Courses of that subject E offered in that semester.

➢ From 3rd semester onwards of all three schemes, a student can choose a Minor Course, say Subject E, out of available Core Courses of that subject E offered in that semester.

➢ In the subjects/courses which involve practicum, i.e. Practical/ Laboratory/ Studio/ Project/ Survey/Field work, etc., a course of 4 credits will dedicate 3 credits for lectures and one credit for practicum and in other subjects/courses not having practicum component, a course of 4 credits will dedicate 3 credits for lectures and 1 credit for tutorial. During 4th year, when the practicum course is offered as a separate course in that subject, then a course of 4 credits will dedicate 3 credits for lectures and 1 credit for tutorial. However, for any DSE course, a course of 4 credits will dedicate 3 credits for lectures and one credit for tutorial.

➢ In case of AEC of 2 credits, the entire 2 credits will be dedicated for lectures.

➢ In the SEC courses of 3 credits, 2 credits will be dedicated for lectures and 1 credit for practicum, In the SEC courses of 2 credits, 1 credits will be dedicated for lecture and 1 credit for practicum and in the DSEC courses of 4 credits, 3 credits will be dedicated for lectures and 1 credit for practicum.

➢ If a student takes exit after the second semester, then Undergraduate Certificate in Discipline/subject will be awarded after earning 52/48 credits including 4 credits for the internship of 4-6 weeks during the summer vacation. The nomenclature of the Discipline will depend upon the subjects opted during the programme. For example, if a student has studied two subjects Physics and Chemistry or Physics and Mathematics or Chemistry and Zoology, the Undergraduate Certificate in Physical Science and Life Science respectively will be awarded. Similarly, if a student has studied two subjects Economics and Sociology or Economics and Mathematics or Political Science and Hindi, the Undergraduate Certificate in Arts will be awarded.

➢ If a student takes exit after the 4th semester, then Undergraduate Diploma in Discipline will be awarded after earning 96 credits (Scheme A and Scheme D) including 4 credits for the internship of 4-6 weeks during the summer vacation. ➤MDC can be completed from a cluster college, i.e., from a neighboring college/institute

➤A student will opt for AEC, SEC, VAC and Minor(Vocational) courses from the respective pools of courses offered by the Department/College/Institute duly approved by the University. A Department/Institute/College can add more courses in the pools of AEC, SEC, VAC and Vocational courses with prior approval of the university.

➤For first and second semester of UG programme (Interdisciplinary) (Scheme D), a student can choose a Minor Course of 2 credit from the pool of minor subjects in that semester offered by the Department/Institute/College.
➤From 3rd semester onwards of the scheme D, a student can choose a Minor Course, say Subject E, out of available Core Courses of that subject E offered in that semester.

➤In the subjects/courses which involve practicum, i.e. Practical/ Laboratory/ Studio/ Project/ Survey/Field work, etc., a course of 4 credits will dedicate 3 credits for lectures and one credit for practicum and in other subjects/courses, a course of 4 credits will dedicate 3 credits for lectures and 1 credit for tutorial. During 4th year, when the practicum course is offered as a separate course in that subject, then a course of 4 credits will dedicate 3 credits for lectures and 1 credit for tutorial. However, for any DSE course, a course of 4 credits will dedicate 3 credits for lectures and one credit for tutorial.

➤In case of AEC of 2 credits, the entire 2 credits will be dedicated for lectures.

➤In the SEC courses of 3 credits, 2 credits will be dedicated for lectures and 1 credit for practicum and in the DSEC courses of 4 credits, 3 credits will be dedicated for lectures and 1 credit for practicum.

➤If a student takes exit after the second semester, then Undergraduate Certificate in Discipline will be awarded after earning 52 credits including 4 credits for the internship of 4-6 weeks during the summer vacation.

➤If a student takes exit after the 4th semester, then Undergraduate Diploma in Discipline will be awarded after earning 96 credits including 4 credits for the internship of 4-6 weeks during the summer vacation.

- PNB branch with ATM facility
- OPAC system in Library
- Facility of whiteboards in Labs
- Spacious Staffroom with the facility of AC and Pantry.
- Gymnasium for Boys and Girls

Women Cell	The women cell of the college is primarily destined to look into the grievances of girl students as well as female staff, and also to provide guidance and assistance to them. This cell regularly organizes workshops and lectures on various topics related to women, like domestic violence, health and hygiene, sexual harassment and legal rights of women. Various competitions like Poster making, Declamation contest, Essay writing etc. are also organized from time to time to create awareness.
Legal Literacy Cell	Majority of rural people are unaware of their legal rights, being illiterate or with poor educational background. This may even be true for many of the literate people, of urban as well as rural areas. They are usually not well versed with what are their rights and entitlements under the law. This lack of legal awareness many times leads to the exploitation and deprivation of rights and benefits. The Legal Literacy Cell of the college organizes various workshops, seminars, lectures and competitions to create awareness among the students about their legal rights.
Placement & Career Guidance Cell	In order to become a self dependent, contributary citizen, employment is must. Getting employed in early age, without going to search for job is like a dream come true for the students. Keeping this in mind, the Placement and Career Guidance Cell (PCGC) of the college was established in 1998. The PCGC of the college leaves no stone unturned in making students job-ready. It conducts grooming and personality development exercises regularly to prepare students as per the requirements of the job market. The cell constantly organizes personality development trainings, industry exposures, quiz competitions, mock group discussions, and interviews to boost the confidence and skills of the students.

Road Safety Club	This club co-ordinates with district authorities and provides guidance to the students about the very significant topic of road safety. We try to prepare the students to be well aware of the consequences of rash driving, irresponsible behavior on the road and other related issues. Various activities are organized, including theoretical examinations and practical sessions on the topic.
Cultural Committee	Cultural activities play vital and crucial role in overall development of the students. Besides academics, there are many students who are having skills and talent, which need proper nurturing and assistance in order to scale new heights. The cultural committee of the college is always able to recognise the talent of students and puts hard work to polish the raw talent into professionally competent artistes.
Alumni Association	The alumni are pride for any institution. We are also proud of our distinguished alumni. The Alumni Association of our college keeps in regular touch with our old students who are excelling in various fields of work. We invite all our alumni who may have been out of contact for any reason, to contact us. We will be very happy to be connected with you.
Educational Tour Committee	Educational Tours play an important role in imparting practical knowledge of any subject. The conceptual base of the subject is certainly developed through theoretical teaching, but when it is supplemented with real-life observations, it makes a life-time impact. Through educational tours, the students get an opportunity to learn through self exposure to various events. The science students come to know about various latest developments of the field, and the students of commerce and humanities are also directly benefited by the field visits.

SC/BC Cell	Various welfare programmes of the government for the benefit of students.
Grievance Redressal Cell	This cell functions to resolve any general or specific issues of students, and takes care of their grievances. The grievance cell tries to pay attention to every minute complaint or problem faced by any student during his/her institutional tenure. Suggestion or other necessary inputs are provided to sort out the issue in wider interest of institution and students.
Discipline Committee	Discipline is primary requirement for any educational institute, and the students need a peaceful environment to concentrate on their academic pursuits. The discipline committee of the college takes all necessary steps to maintain a calm and congenial campus, for optimum output on every front of academic and extra-curricular activities.
Sanskarshala Club	Sanskarshala Club was established in 2019 to inculcate moral and social values among the students. Various social service activities are planned in each semester and they are implemented.
National Service Scheme	National Service Scheme is a voluntary service of the nation, rendered by our young generation. The NSS unit of the college is very active and always at work. The students take out time from their studies and indulge themselves in various social activities, which are a source of inspiration to everyone. We co-ordinate with the local dministration in implementing various schemes and social work activities like tree plantation, awareness drives, helping the most needy ones in the society from time to time.

National Cadet Corps	The National Cadet Corps is voluntary Youth Wing of Armed Forces, which prepares the youth for bigger avenues and challenges in life. The cadets are trained about various aspects of armed forces, like Drill, Map Reading, Shooting etc. which develop leadership qualities and interest to join armed forces. Our college NCC unit is a part of 12 Haryana Battalion NCC, Sonepat. The college unit offers enrollment to male as well as female students, which participate enthusiastically in all the activities of NCC.
Youth Red Cross	This Cell co-ordinates with the Red Cross and provides platform to the young students to learn and participate in various activities directly related to human life. The real-life practical, mock drills etc. make the students better prepared for disaster management and for saving the valuable human life.

GENERAL GUIDELINES

The college campus is a place of enhancing knowledge and enriching your lives with new thoughts and vision. We take utmost care to help you, support you and guide you for different examinations and tough situations. If you are able to inculcate the directives provided by your teachers, you will be comfortable not only in the campus but also off the campus. Following guidelines may assist you to have a beautiful stay in the college during your entire tenure:

Being a co-educational institution, it is our joint responsibility to respect both the genders and give them equal opportunities to participate in all the campus activities.

There is a separate girls wing, where boys are not permitted to enter, except the ones who have their classes in that wing. In cafetaria as well as in library, separate seating arrangements exist for boys and girls. Keeping this in view, all the students are expected to use the assigned places only.

The fees and other dues are charged as per directions from Haryana Govt./KUK, and changes can occur in the existing fee structure, if directions are received from Haryana Govt./KUK. Every student must obtain a receipt without fail, after making any payment to the college.

Important instructions received from the University or Haryana Government are circulated on notice boards as well as college website. You are required to be well aware of important cut off dates, the college may not be able to remind individual students about any such lapse on his/her part.

Every student must provide an active contact number to the college for receiving messages, college will not be responsible for non-delivery of any important update.

The fees once paid cannot be refunded. Any delay in deposition of fee by the student will result in imposing of applicable fine. The students failing to deposit the fees will be removed from the college rolls.

GENERAL GUIDELINES (CONTD..)

The students missing the theory and practical classes will be fined as per rules of University. If any student is absent from his/her classes continuously for 14 days, without intimation and prior permission, the name will be struck off and the student has to take re-admission. Minimum 75% attendance is mandatory to become eligible for appearing in University Examinations. For students participating in any of the events like NSS, NCC camps, cultural programmes or any other such event, he/she must submit the recommendation signed by the concerned teacher in charge, giving details of the event with dates.

Any change of subjects will be allowed only for a limited period as permissible, in the first semester only. The request can only be considered if seats are available in the requested subject. No change of subjects is allowed after the stipulated time under any circumstances.

Inter-college migration is possible only after prior permission from both the heads of institutions. The permission may be granted or denied based on the circumstantial evidences. The migrating student has to pay requisite funds, as per rules. Migration is not allowed from local colleges.

If, due to any reason, University cancels the admission of any student or does not approve the admission in a particular class, the student and the wards will be responsible. College will not be responsible for any such cancellation and no claims will be entertained.

Students must obtain information about and apply for different scholarships applicable to them from college authorities.

BUS PASS FACILITY

The students who have to commute on public transport are facilitated to have Bus Pass for their travel, as per the directions and regulations of Department of Public Transport, Government of Haryana. Students are required to bring the following documents for Bus Pass Application:

1.Fee Receipt/Identity Card of the College
2. Aadhar Card
3.Two Passport Sized Photographs
4.Any other proof of Residence, if Aadhar Card is not available.
